

Print Statement of Facts

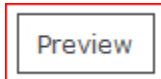

Business Purpose

Use this job aid to:

- Print Statement of Facts (SOF)

1. Print SOF

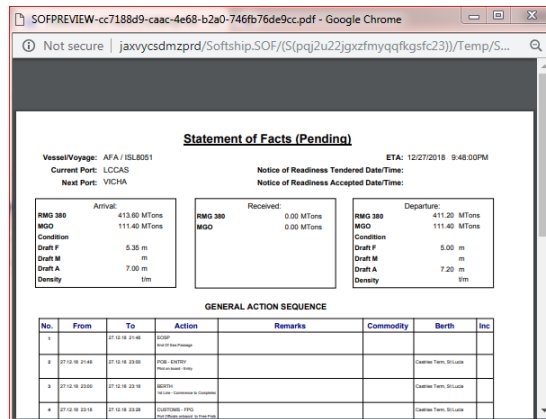

- Click Preview when all actions, incidents, regulative measures, dates and times are complete, and the Statement is Finalized.

NOTE: When you click on the Preview button, a pop-up block will appear in the Search bar. Click on it and select: "Always Allow".

- Click on the Preview button. A new screen displays.

A screenshot of a web browser window showing a "Statement of Facts (Pending)" form. The form includes fields for Vessel/Voyage, Current Port, Next Port, ETA, and Notice of Readiness dates. It also displays three columns of data for Arrival, Received, and Departure, each with sub-rows for RMG 380, MGO, Condition, Draft M, Draft A, and Density. At the bottom, there is a "GENERAL ACTION SEQUENCE" table with columns for No., From, To, Action, Remarks, Commodity, Birth, and Inc.
